

Mortality Statistics (General): Review of the Registrar General on Deaths in England and Wales, 2002, Great Britain. Office for National Statistics, Office for National Statistics Staff, 011705593X, 9780117055933, Stationery Office, 2002

This annual survey deals with statistics of deaths relating to England and Wales, classified by sex and age. It also includes certain information collected at the time of registration such as method of certification, place of death, and seasonal mortality. Other tables within the survey give breakdowns of the data by local area and by cause of death.
